INTRODUCTORY CAPABILITY STATEMENT

CIVIL EARTHWORKS / RESIDENTIAL EARTHWORKS
STORMWATER DRAINAGE / SEWER WORKS

HANDS-ON. DEPENDABLE. PRECISE.

GOLD COAST • QUEENSLAND + NEW SOUTH WALES

2026

A HANDS-ON CIVIL CONTRACTOR BUILT ON RELIABLE DELIVERY

Bowler Civil Group is a Gold Coast-based family-owned civil contractor supporting residential, commercial, industrial and infrastructure projects across Queensland and New South Wales.

We combine owner-led accountability with practical site experience. Clients deal with people who understand the work, communicate clearly and care about the finished result from the first discussion through to handover.

MATT BOWLER

CONSTRUCTION MANAGER / 15 YEARS' EXPERIENCE

Matt brings hands-on experience across residential, commercial, industrial, plumbing and Tier 1 civil environments. His background includes machine operation, pipelaying, drainage, plumbing, leading-hand and supervisory roles on complex projects including Western Sydney Airport, Sydney Metro and the Coomera Home Ideas Centre.

A genuine, team-first culture underpins how we work. We value our staff, client relationships and an environment where people enjoy doing good work together.

WHAT WE STAND FOR

RELIABILITY

Prepared, on time and accountable.

QUALITY

Precise work and pride in the result.

HONESTY

Straightforward advice and clear communication.

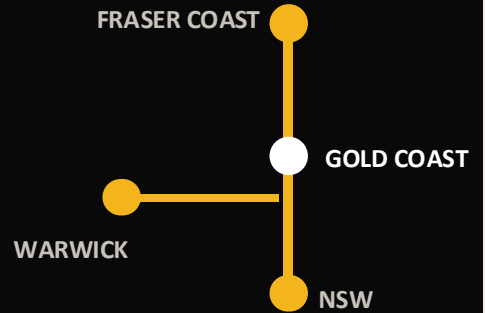

OWNER-LED / HANDS-ON / DEPENDABLE / BUILT AROUND QUALITY

WHAT WE DO. WHERE WE WORK.

Civil and residential earthworks, stormwater drainage and sewer works supported by flexible plant access and hands-on site leadership.

Gold Coast base. Mobilising across Queensland and New South Wales.
